### WHAT WOULD ONE BILLION BOOKS LOOK LIKE?

Stacked on top of each other, it'd be a 31,564 mile stack of books

That's enough to wrap around the equator one and a quarter times

15.8 million trees not cut down thanks to digital reading!

Enough to fill Central Park 610 times

Books available in over 100 languages

Readers have listened to 376,000 YEARS worth of audiobooks
